The Last Picture Shows Thursday September 10 at 7:00 Filmmaker Rustin Thompson journeys into the American West on a search for traces of what was once a center of small-town life: the movie theater. *The Last Picture Shows* is not only a timely portrait of an industry in crisis, one facing the headwinds of consolidation, streaming, and the diminishing theatrical experience, but it also reminds viewers that even in vast cinema deserts, there are oases of community and gathering that remain, where the movie house continues to be a place of wonder, contemplation, and connection. *The Liberty Theater* is in the film! More details to come.
